Subject: Stand for Peace! / Solidarity for our Ukrainian colleagues

Dragi/e kolegi/ce in prijatelji/ce,

vojna je že sama po sebi završna stvar. Ko pa se dogaja v srcu Evrope, v razvitem svetu, in ko v njej trpijo in umirajo nedolžni, nič krivi ljudje – tedaj pa je najhujše obsodbe vredna! Naj se takoj konča!

Naj v vaši lepi domovini, dragi/e kolegi/ce in prijatelji/ce, rek *inter arma silent musae* (v vojni muze molčijo, v vojni ni čas za umetnost) NIKAKOR NE OBVELJA!!! Še kako je ravno v teh hudih časih pomembno in potrebno, da stopite skupaj in se ne predate! Beseda je močnejša od meča! Bitke in spopadi minejo, umetnost pa je večna.

»Kultura in prosveta, to naša bo osveta!«

Sicer se v celoti pridružujemo solidarnostnemu pismu FIA in UNI MEI (zgoraj), srečno, dragi/e kolegi/ce in prijatelji/ce, ne dajte se, tudi mi smo z vami!

Dear colleagues and friends,

War, in itself, is a reprehensible thing. But when it happens in the heart of Europe, in the developed world, and when innocent people suffer and die - then it is condemnable in the worst possible way! Let it end immediately!

Let the saying *inter arma silent musae* (in war the muses are silent, in war there is no time for art) NEVER RUN IN YOUR BEAUTIFUL COUNTRY, dear colleagues and friends!!! How important and necessary it is in these difficult times to stand together and not to surrender! The word is mightier than the sword! Battles and confrontations pass, but art is eternal.

»Culture and enlightenment - this will be our liberation!«

Otherwise, we fully associate ourselves with the solidarity letter of the FIA and UNI MEI (attached), good luck, dear colleagues and friends, don't give up, we are with you!
