Cenjeni kolegi in kolegice, tovariši in tovarišice / Dear Colleagues and Comrades,

Sektor za medije, zabavo in umetnost pri UNI Global Union /UNI MEI/ in 150 sestrskih sindikalnih organizacij (članica je tudi Glosa) je solidarnih z vašim bojem za zaščito pravic članic in članov v digitalnem okolju, vključno pri uporabi umetne inteligence. Scenaristke in scenaristi si zaslužite pravičen delež pri uspehih, ki so zasluga vašega dela!

Stavkajoči od glavnih studiev in pretočnih platform (Netflix, Amazon, Apple, Disney, Discovery-Warner, NBC Universal, Paramount, Sony) terjate pošteno plačilo in dostojne delovne pogoje. Poleg tega jim – edino pravilno in pravično! – očitata tudi pretirano ekonomično delovanje, ki želi pisanje scenarijev v celoti transformirati v projektno in samostojno delo. Zahtevate tudi zajamčeno minimalno število tednov zaposlitve na sezono ter od 6 do 12

The Media Entertainment & Arts Sector of UNI Global Union /UNI MEI/ and all 150 sister member unions – Glosa is also a member –, stand in solidarity with the guilds in your fight for the protection of your members rights in the digital environment including the use of artificial intelligence. Writers deserve a fair share in the successes of your work!

Strikers demand fair pay and decent working conditions from the major studios and streaming platforms (Netflix, Amazon, Apple, Disney, Discovery-Warner, NBC Universal, Paramount, Sony). In addition to these demands, you (only right and fair!) also accuse them of being too economical, of wanting to transform scriptwriting entirely into project-based and freelance work. You also demand a guaranteed minimum number of weeks of employment per season and a team of between six

člansko skupino scenaristov na projekt.

and twelve writers per project.

To so, kot rečeno, pravilni in pravični zahtevki!

These are, as we said, correct and fair demands!

Vaši resni in trdni slogani so tudi zelo zabavni:

Your serious and firm slogans are also very entertaining:

"Si resnično želite do konca življenja gledati zgolj ponovitve?"

»Do you really want reruns for all eternity?«

"Brez scenaristov ne zmorete dokončati niti tega na ..."

»Without writers you can't even finish this si...«

"Brez scenaristov še besede TV ne znate črkovati."

»You can't spell TV without writers.«

"Uporabljam moram pohištvo, ki ga najdem v smeteh. Svoj transparent sem naredila iz predalnika komode, ki je pravkar razpadla."

»I have to use the furniture I can find in the garbage. I made my sign from one of the drawers from my dresser that just fell apart.«

"Ne morem napisati nič duhovitega, ker stavkamo."

»Can't write anything witty because we are on strike.«

Ne dajte se! Vaša stavka je del boja svetovne skupnosti sindikatov v medijski in zabavni industriji, ki si prizadeva za spremembe na področju pravičnega plačila, dostojanstva in enakosti pri delu. Z vami smo! Solidarni! Saj vaš boj je tudi naš boj ...

Don't give up! Your strike is a part of the struggle of the global community of unions in the media and entertainment industries campaigning to bring about change for fair remuneration, dignity and equality at work. We stand with you! Solidarity forever! Your fight is also our fight!

S spoštovanjem / Yours sincerely,
